

## NOTICE TO RESIDENTS NEAR BALLS HILL ROAD BETWEEN LIVE OAK DRIVE BRIDGE AND BENJAMIN STREET IN MCLEAN

Nighttime Excavation Work Planned on or about May 28 and 29  
Daytime Flagging Operations on Balls Hill Road Planned through Mid-June

### What's Happening?

Excavation work is scheduled during nighttime hours next Tuesday, May 28 and Wednesday, May 29 along a segment of northbound I-495 adjacent to Balls Hill Road between Benjamin Street and Live Oak Drive Bridge in McLean. The excavation work is necessary to widen the Beltway as part of the 495 Express Lanes Northern Extension (495 NEXT) project, as illustrated in the image on the right.

This work is scheduled to occur on or about:

- 9 p.m. Tuesday, May 28 until 5 a.m. Wednesday, May 29
- 9 p.m. Wednesday, May 29 until 5 a.m. Thursday, May 30

Daytime excavation is currently underway in this area and is planned to continue through mid-June.

### What Should Neighbors Expect?

**Noise** – Excavators will shovel large quantities of earth into trucks that will transport it to off-site locations. Nearby neighbors will hear trucks entering and departing the site and other noise associated with excavation.

**Traffic** – For safety reasons, the work will require single lane operations in this area of Balls Hill Road. Flaggers will be on-site maintaining alternating one-way traffic. Neighbors should allow extra travel time in case of delays.

The single lane flagging operation also will be in effect during daytime excavation work.

The 495 NEXT team appreciates the community's understanding as this impactful work progresses. Stay informed by registering for updates at [495NEXT.vdot.virginia.gov](https://495NEXT.vdot.virginia.gov).

*Construction plans are subject to change due to weather, utility relocations performed by outside companies, resequencing of work to facilitate on-time completion of the overall project and other factors.*
